

Парк Победы в Нижнем Новгороде.

Послан Леонид - 15.04.2014 21:13

Сегодня побывал в нашем "Парке Победы". Собирался давно, если нет своего автомобиля, то достижение его проблемно :-)

Посещение оставило странные впечатления. :SCRATCH: Буду выкладывать фото, сами увидите ;-)

При входе с черного хода встречают белые "Дмитрии Донские". Почему белые? Не знаю!

:PARDON: :SCRATCH: В дальнейшем постараюсь обойтись без "каментов", сами решайте, что

видите. :SCRATCH: <http://models-paper.com/images/fbfiles/images/1P4150444-20140415.jpg>

Вместо КПВТ и ПКТ вставлены "КАРАМУЛЬТУКИ", судя по диаметру не меньше 40 мм

К приезду, какого-нить очередного "высокого" гостя, приводили технику в "порядок". Вот и белые! :CRAZY:
